

Commercial Lending Administrator Accreditation Program Checklist (CUIC-DES-CLA)

This 10-course program is accredited by Dalhousie University and was developed in conjunction with the Credit Union National Lenders Committee. The curriculum design includes foundational knowledge for individuals managing or providing commercial loan administration services. The program emphasis is on technical aspects of commercial loan administration. Course instructional formats vary and include: *CUIC*[®] courses, online and instructor-led courses. On completion of this 10-course program you will become an "Accredited Commercial Lending Administrator", an accreditation which is conferred jointly by CUIC Inc. and Dalhousie University.

Credit Union-Specific *CUIC* Courses (1)

You can take this paper-based course as a self-study course or by joining an online cohort or study group. To earn a credit for this course, you must meet Dalhousie University's evaluation requirements which include passing a written exam.
